

Dovey Slit, Score & Trim Heads for Slitters and Slotters

Dovey Slit, Score and Trim Heads are manufactured from quality ductile 60 castings and machined with a keyway and split for quick set-up, using Dovey standard 5/16" – 18 socket head cap screws, having a 1/4" Allen hexagon.

- Setup on shaft made quick and easy but loosening only one bolt.
- A variety of inside diameters available.
