## THE DOVEY Center Bevel STITCH TAB KNIFE

Here are two different Stitch Tab Knives, **ONE**, which will improve your tab cutting tremendously!

The **DOVEY** Stitch Tab Knife is a **CENTER BEVEL** blade and **requires far less pressure in cutting**, which **increase the life of your anvil cover!**

No need to worry about left or right hand knives, as the **DOVEY KNIFE** is notched at both ends and can be used in either direction.

The **DOVEY** knife is produced with **12 teeth per inch**, so it cuts cleaner and strips more efficiently. It is hardened to 40 Rockwell
