

**DOVEY SLIT SCORE EQUIPMENT THAT SLITS  
SCORES MORE ACCURATELY  
THAN ANY OTHER. WHY ?**

**BECAUSE THE DOVEY SLIT SCORE BLADE  
IS A **CENTER BEVEL** COMPONENT AND THE  
ONLY ONE OF ITS KIND.**

- Slit Score blades are manufactured from 410 hardened stainless steel for superior life.
- Heads manufactured from highest quality ductile castings for long life.
- Setup on shaft made quick and easy by loosening only **one** bolt.
- Heads supplied with std. socket head cap screws 7/16-14. Female heads contain beveled insert for accurate depth setup.
- A variety of heads for different shaft sizes can be made.
